DURALEX®

Premium Paint since 1946

Flat

Interior • High Opacity • Washable

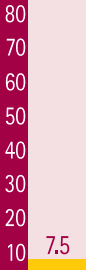

DURALEX PREMIUM FLAT is a durable acrylic paint for use on suitably prepared interior surfaces such as plasterboard, cement render, brick and masonry. It is not recommended as a finish for contact surfaces such as windows and doors, etc.

Ceiling White

Interior • Ultra Flat • High Opacity

DURALEX PREMIUM CEILING WHITE is a pure acrylic interior paint with exceptionally high opacity, specially formulated to give less spatter. Its ultra flat finish minimises surface imperfections.
