RESISTS THE HARSH AUSTRALIAN CLIMATE

DURALEX

ENVIRONMENTALLY AWARE PAINTS SINCE 1946

18 years in the making...

Since 1993 Duralex has been developing its Sun Master Range, a tough 100% acrylic house paint for the harsh Australian climate. The durability of the paint is tested by an Australian Standards approved exposure rack.

Now available as **SUN MASTER Roof & Trim** in a range of 20 factory mixed colours.

The result is a paint ideal for exterior timber, fibro, masonry, galvanised iron, PVC and other rust resisting metals.
