

# DURALEX®

PROUDLY AUSTRALIAN OWNED & OPERATED

# Vermiculite

**A product most painters love to avoid**

**Those in the know use**

**Spray one coat in one direction and a second coat in the opposite direction to give total coverage of the rough surface**

Allow the ceiling to dry thoroughly with appropriate cross ventilation

**Apply 2 coats of Durablex Premium Ceiling White to complete the job.**

## QUICK DRYING WATER BASED SEALER
