

Duralex Everclean Plus acrylic low sheen is a premium, hard wearing and stain resistant interior, water based paint designed to withstand general cleaning cycles in clinical and hardworking environments. The low VOC, low odour formula ensures quick return to service with less disruption. With AMME™ Technology, which when combined with clinical cleaning programmes, helps assist in the protection against mould, mildew and bacterial growth, to keep surfaces clean and help maintain good interior air quality.

- suitable for hospital interiors, nursing homes, medical centres and kindergartens
- stain resistant
- superior scrub resistance
- resistant to most general cleaning products
- easy to apply
